Quality is an integral part of Dyna Dental Engineering BV's business objective. The requirements as stated in the Medical Device Directive 93/42/EEC and ISO 13485:2016 are a framework for the Quality Management System. To maintain a high level of quality, Dyna Dental needs feedback on any possible implant failure which will be registered and evaluated.

Please fill in this form completely (English) and return it together with the implant failure/dysfunctioning product, **cleaned and sterilized**, an OPG/OPT (after placement of an implant and after failure) with sufficient protection (e.g. box or aircraft envelope) to:

Dyna Dental Engineering BV, Vang 9, 4661 TX, Halsteren, The Netherlands
